COMFORT ZONE – SKIN SCIENCE FACIAL 60 MIN

199

Choose from the options below for a skin treatment that will leave you glowing.

HYDRA GLOW

Combining Lactic Acid, Hyaluronic Acid, and Bioactive Prickly Pear extract to deeply replenish moisture and restore vitality leaving your skin visibly plump, luminous, and dewy.

SUBLIME SKIN

This next-generation facial uses innovative lifting technology to target signs of ageing and pigmentation. Customised to your skin's condition, delivering visible smoothing, firmness, and renewed radiance.

RECOVER TOUCH

Nurture your skin and recover from the damage caused by sun, pollution and ageing. The antioxidant, replenishing combination of Goji Berry and Macadamia Oil leaves the skin soft and replenished.

ACTIVE PURENESS

Ideal for oily, congested skin, this facial features a mattifying algae mask to refine and rebalance. Infused with Mandelic Acid and a blend of clays, it leaves skin visibly clearer and more balanced.
